

**HAVE YOUR SAY... WHAT IS MOST IMPORTANT TO YOU...**

WE HAVE TAKEN EACH OF THE OBJECTIVES FROM THE DRAFT TOWN & COMMUNITY PLAN AND PUT WHAT THE COMMUNITY HAVE SAID THEY WANT TO SEE AGAINST THESE TO CREATE A STRATEGIC ACTION PLAN FOR PLANNING, DEVELOPING AND SERVICING THE TOWN FROM 2025 TO 2027 & BEYOND.

NOW IS THE TIME TO PRIORITISE. SO, WE ARE PUTTING OUT A SERIES OF FAST AND EASY SURVEYS VIA FACEBOOK, EMAIL AND IN SPOTS AROUND TOWN.

THIS IS TO ENCOURAGE WHOLE OF COMMUNITY PARTICIPATION BY MAKING IT EASIER FOR COMMUNITY TO GET INVOLVED IN IDENTIFYING WHAT IS MOST IMPORTANT TO THEM,

THIS WAY, WE CAN GET OUR TOWN WORKS SCHEDULES IN PLACE FOR 2025 AND WILL ALSO HAVE A COMMUNITY LED DIRECTION TO SEEK FUNDING FOR PROJECTS AND DEVELOPMENT.

THIS LATEST FAST & EASY SURVEY IS ABOUT KIDS ACTIVITIES TO IMPROVE QUALITY OF LIFE IN ANDAMOOKA:

SIMPLY TAKE EACH COMMUNITY RECOMMENDATION AS SET OUT BELOW, AND RATE THIS AS HOW YOU SEE IT AS A PRIORITY ON A SCALE OF ONE TO TEN.

ONE BEING OF LOW PRIORITY AND TEN BEING OF VERY HIGH PRIORITY.

This would place #5 as being a great idea, and I'd like to see this, but other things are more important just now...

COMMUNITY RECOMMENDATION	RATIONALE	Insert # from 1 to 10 here	Feel free to add a brief comment.
A suggestion has been to get a Hot Wheels track to put out for kids in the hub and recreation precincts play spaces.	<ul style="list-style-type: none"> <li>This would be portable so that it can be moved between play spaces and also available for hire for kids' parties etc.</li> <li>It would be a bring your own hot wheels vehicles, but we may be able to get some donated by kids that have out-grown them...</li> </ul>		
Start up an indoor soccer informal competition for kids.	<ul style="list-style-type: none"> <li>The sports court has this equipment.</li> <li>We would need a couple of adults to volunteer to coach and manage this.</li> </ul>		
Start up a 3-a-side casual basketball comp for kids.	<ul style="list-style-type: none"> <li>The sports court is equipped for this.</li> <li>We would need a couple of adults to volunteer to coach and manage this.</li> </ul>		
Any other suggestions?
